It will also provide exposure to the inner workings of the Union.

Persons will serve as follows:

2. Workshops - at least one assigned to each workshop & presenter
3. Identify and Escort Special guests - Wednesday Night/Sunday Morning
4. Assist with general administrative and support functions such as the secretariat
5. Assist with general logistics of the daily events and activities

The Jamaica Baptist Union is committed to providing at least one meal each day to each steward and will facilitate an orientation session where persons will be briefed about their roles.
